

HOPE REFUGEE SERVICES

Hope Refugee Services has been very intentional in ministering to the needs of newly landed refugees since 2004. In Buffalo, there are four established refugee settlement agencies that provide support to refugee families during their first 180 days in Buffalo. The hurdles of culture, language, education, housing, medical care, and employment are a tall order for many refugees in their first six months here and are often overwhelming. The goal of HRS is distinctive as it seeks to provide ongoing support to these families who have been in Buffalo for at least six months and still struggle with self sufficiency.

Free To Be Me

Saturday, April 24, 2010
9:30-3:00

Location: Levant Wesleyan
Church
1670 Lindquist Drive
Falconer, NY 14733

Guest Speaker:
Kathy Coleman

To describe Kathy in one word would be "PASSIONATE"! Passionate for women to fall in love with Jesus and for them to be life-changers in their families, their churches and in their communities.

The direction of Kathy's life changed at a Ladies' Retreat during a 45-minute quiet time where she was alone with her God. God moved quickly in her life after that point. Since 1995, God has taken Kathy on quite a journey - leading a Small Group Bible Study, joined a ladies' prayer group, founded the "Takin' It To The Streets" ministry at her church, began a Lunch Ministry in her city to impact the lives of women for Jesus, founded the Worldwide Mom's Day of Prayer movement, became an Area Coordinator for the Moms In Touch prayer ministry, to name a few. Kathy has been married to the love of her life, Rod Coleman, for 32 years. Their home is in Ft. Smith, Arkansas. They have two married children.
