Lay Delegates from DBA to the 2008 District Conference	=	6
Lay Delegates from churches to the 2008 District Conference	=	<u>80</u>
TOTAL LAY DELEGATES	=	86

METHOD OF ALLOCATION

1. Total number of eligible ministerial delegates at the time of determination = 86 minus 6 lay members = 80 additional lay delegates to equal ministerial representation.
2. Total number of covenant membership of the district (2,724) divided by the number of eligible ministers (86) = 31.67
3. Awarding of 1 lay delegate to a local church for the first 31.67 covenant members and an additional delegate for each additional 31.67 members or major portion thereof.
