Our annual winter retreat, this year our theme is *UNVEIL* -- looking at how God moves around us, even when it takes some work to see that He's even there. Our study will be focused on the story found in Esther.

An explanation about registering ... the cost of the retreat is \$70, but registrations before the end of the day on January 1 are only \$60. Please only allow leaders from your church use the online registration (probably designate one person to do that so that there are no doubles). Each church will receive one free leader PLUS a free leader for every 10 registered students. Once you register a student, your church is committed; but registrations may be transferred if needed. You may bring registration money to camp or mail it to Orchard Park Wesleyan (ATTN: Pastor Ray). Make all checks out to "WNY District of the Wesleyan Church." We are also determined to not allow finances to prevent a group from being a part of the retreat. If that is the barrier, we will work with individual churches to minimize the costs.

Instruct your students to please leave their cell phones & electronics at home ... part of the retreat experience is leaving distractions at home. If parents need to reach their children, they can call Camp Hickory Hill at 585-535-7832 or call youth leaders directly if that number has been made available. That being said, leaders are not under the same limitation as long as it is not a distraction for you or your group.

The retreat will be held at Camp Hickory Hill, 2970 Kohler Road, Varysburg, NY 14167. Registration will be Friday, 8—9 PM. Groups will be given cabin assignments upon checking in. Feel free to bring money for the snacks that will be available

at a reasonable cost throughout the weekend. The income from the snacks goes to a special mission project that will be made known that weekend.
