Camp Speaker: Erin Munroe

Erin Munroe served as Youth Pastor for Greenville Multicultural for 6.5 years. There she led events and activities for students to develop and grow deeper in their faith with Jesus. Her passions include hanging out with students, visiting big cities, learning new ways to use Snapchat, her dog and tacos. Erin has served as camp director and loves to build into ministries that are allowing students to grow in all areas of their lives. She has also never been in more than 3 inches of snow so she is excited to visit in Jan!
