[brooksidewesleyan.org](http://brooksidewesleyan.org)

Brookside Wesleyan Church (Wellsville, NY) seeks a pastor to lead our congregation toward a deeper relationship with God and continuing the work that He has planned for us. We desire a pastor who will preach, lead, and live by the Word of God. This person will genuinely love the people in the congregation and the community. The successful candidate will have the heart to reach the younger generation and equip the church to best reach children and youth. We are looking for someone who can inspire others through a compelling vision.

Wellsville, New York sits in the Southern Tier of New York, only 10 miles from the Pennsylvania border. With slightly more than 7,000 residents, it is the largest town in rural Allegany County. Wellsville is a neighborly community that prides itself on hard work and family. Community events, such as the Great Wellsville Balloon Rally and the Annual Fishing Derby, draw many people to our town. There is a strong arts emphasis in our area, highlighted by the David A. Howe Public Library, the Wellsville Creative Arts Center, and several artisan tours. There is a strong Ministerial Association between church leaders in the area. Wellsville currently has many of the same challenges faced by rural towns across New York and America.

The Brookside church has been a part of the community for more than 80 years. The church is driven by the mission of "Widening the circles of Christ's love: Deepening our relationship and broadening our impact." We have a strong history of evangelism and youth ministry. Numerous outreach events and discipleship opportunities are offered during the week, including men's and women's groups, "Young at Heart," and volleyball/shuffleboard. Currently, there is a weekly worship attendance of approximately 75. Our church building is located just outside the village. We recently have enhanced our facility with two significant additions with an education wing and an activity center. We offer the hospitality of our facility to our community for various purposes including blood drives, voting, and family events.

After prayerful consideration, if you sense God may be calling you to lead our congregation, please send your resume to the contact below.
