

Report of the Refresh Family Camp Directors

Greetings from Matthew & Katie Rose, co-directors of Refresh

After 2 years of camp being cancelled, we were finally able to have Refresh Family Camp at Houghton University last Summer. It was also our first year back in the director role after Steve Dunmire so capably led Refresh prior to the pandemic. We want to thank our entire team (and guest ministers) for patiently waiting for the green light and helping to create a great week in the life of the district. What we need to do now is focus on rebuilding momentum so that Refresh can be a sustainable ministry going forward. We think we have a great team put together to accomplish just that! Our dates this year are July 30 through August 4th. Our evening services will feature speaker Mark Wilson and worship leader Chris Stephens! We look forward to a wonderful week full of faith, family, food, fun, and fellowship! If you have not yet registered for Refresh, please do so ASAP at [**https://www.refreshhoughton.com/registration**](https://www.refreshhoughton.com/registration)
