

Report of the Thrive Financial Initiative Coordinator

Several years ago, the Lilly Endowment Foundation partnered with The Wesleyan Church to begin a Thrive Financial Initiative Program (TFI) with the goal of providing funds to help pastors with their debt and/or to give additional resources for retirement. The Lilly Foundation chose not to continue that partnership, so the Wesleyan Church closed the TFI program (as it has been run) at the end of 2022.

Before the program closed, three pastors had completed enough of the work to receive checks in 2022: Al Meyers; Andrea Merrill; and Karen Tucker.
